Waiver, Assumption of Risk and Agreement to Hold Harmless

I understand that participation in Tandem dog training classes is not without some risk to myself, members of my family or guests who may attend, or my dog, that despite all the dogs appearing healthy, and being handled with the greatest amount of care and foresight, dogs aren't always predictable and the unexpected may occur. I hereby assume all risks that would customarily and ordinarily occur by my participation in dog handling, dog movement or activities on site, and waive and release to the benefit of Tandem in consideration for my acceptance and participation in the program.

I hereby agree to indemnify, hold harmless, waive and release Tandem, its employees, owners and agents from any and all claims by myself, members of my family or persons accompanying me to any training session or function of Tandem, while in the building, on the grounds or surrounding area, as a result of action by any dog, including my own. I further agree to pay veterinary/ medical expenses incurred as a result of injury caused by my dog(s). I give Tandem permission to seek veterinary care if necessary for my dog(s) at my expense; however I will not hold Tandem responsible if they fail to seek veterinary care.

I also understand that the degree to which a dog is successfully trained is a function of the interest, commitment, and cooperation of the owner. I acknowledge and agree that there is no guarantee that my dog will achieve the desired level of training despite the best efforts of the instructor. The instructor reserves the right to dismiss any dog deemed to be at risk to any dog or person in class with no refund of fee.
